It's still Easter!

Easter is one of the seasons of the church year. The season of Easter started on April 12 and will go all the way until May 30th. Pentecost Season starts on Sunday, May 31st.

Pastor John is sharing a message from 1 Peter 3:13-22 today. The words may be tough to understand, but the main thing kids need to know about Peter's message is:

Even when times get really rough and it looks like bad guys are winning,
God will always win in the end.

This is the best Easter Good News ever! Do you remember the Easter story - like all of it, even the sad parts? Even the scary parts?

On Friday, it looked like the bad guys had won. They had killed Jesus and buried him in a tomb. All of Jesus' friends were afraid and sad. Then, on Sunday, Jesus came straight out of that tomb - he was alive again - proving that God is more powerful than even the worst evil.

God wants us to remember every time it looks like the bad guys are winning and we are feeling hopeless that God is there and God wins. God is with us all the time - in good times and bad times.

Where in the Word is the Word?

Our scripture readings today are both from the New Testament: 1 Peter 2:2-10 and Psalm 31:1-5, 15-16 . Can you find these in your bible?

If you don't know what all the words and numbers mean, use this as your guide:

Stare at the four dots in the center of this picture for about thirty seconds. Then, close your eyes and wait for an image to appear. What did you see? Did you see an image of Jesus? Some people see the image of Jesus and some don't. It is just like it is in real life. Some people don't see Jesus because they are looking for Him in the wrong places or don't even know where to look for him.

What can you do to help someone look for Jesus?

Where do you see Jesus in your life?
