World Communion Sunday

World Communion Sunday is celebrated all around the world on the first Sunday in October every year. Believe it or not, World Communion Sunday actually started at our church back in 1933.

Usually, we join together in person to participate in the communion feast. Today, we are invited to participate with our families, in our homes. It's important to remember that we are together in spirit, all around the communion table with Jesus even though we're not together in our church building.

There will be many neat things to see and hear during the online service, so instead of providing you with a detailed kids' bulletin, we hope you will watch and listen, worship and learn. What new things do you see today? How many different languages do you hear?

There are still some puzzles and things for you to do, so work on those while you're listening.
